RECREATIONAL INFLATABLE PERSONAL FLOTATION DEVICE

KENT SPORTING GOODS CO
433 PARK AVENUE S
STATE ROUTE 60
NEW LONDON OH 44851

Model 3042C, Adult or Adult Universal, convertible manually/automatically inflated, "RECREATIONAL INFLATABLE", Type V PFD approved ONLY WHEN WORN.

Yoke style construction with partly fabric covered inflation chamber, with 24 gm manually activated inflation cylinder with non-cylinder seal indicating CO2 inflator, for persons weighing more than 36 kg (80 lb) with chest size 76-132 cm (30-52 inches) or 76-165 cm (30-65 inches).

Only a 6F manual/automatic convertible inflator is approved for use on this model.

Not approved for use on personal watercraft, for white water paddling, or for water-skiing, knee boarding, or similar towed uses. Not approved to meet carriage requirements on commercial vessels.

Identifying data: 46 CFR 160.076 and UL Report File No. MQ 1271, Vol. 1 (Section 1).

Factory Locations: See UL report file for current factory locations.

This is a special use device, Type V PFD, approved only when worn for use as a substitute for a Type III PFD. Since this device uses a convertible and non-cylinder seal indicating inflation system, it must be worn at all times to be recognized as an approved PFD.

Approved for use by persons at least 16 years of age and only when used in accordance with the owner's manual.

Extends previous certificate issued July 22, 2016.

THIS IS TO CERTIFY THAT the above named manufacturer has submitted to the undersigned satisfactory evidence that the item specified herein complies with the applicable laws and regulations as outlined on the reverse side of this Certificate, and approval is hereby given. This approval shall be in effect until the expiration date hereon unless sooner canceled or suspended by proper authority.

GIVEN UNDER MY HAND THIS 23rd DAY OF
MARCH 2020, AT WASHINGTON D.C.

B. A. BALDWIN
Chief, Lifesaving and Fire Safety Division
BY DIRECTION OF THE COMMANDANT

TERMS: The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

NOTICE: Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
